## WHAT PEOPLE ARE SAYING

### SVPIKE

Recently just had my family reunion catered from here. The food was amazing with more than enough for everybody, even leftovers. The price was perfect especially for everything that you got, they did not cheap out at all. We will be doing future parties through them.

### AUTUMN RIVERA

I had Elma Towne Grill catered for my wedding reception. No one could stop raving about how delicious the food was! Food was on time and the gentleman who delivered it- helped set everything up for us. We also love going here for dinner! Great place all around. I highly recommend it!
